What Do I Do With: The City of Austin's guide for community members to find out what to do with unwanted items.

Recycle and Reuse Drop Off Center (RRDOC): **FREE** recycling drop-off for hard-to-recycle items, including Styrofoam, hazardous waste, electronics, soft plastics, yard trimmings and more. Other services you may find useful at the center:

ReUse Store: A **FREE** store for Austin residents to pick up items that other community members have dropped off that are in working condition.

Austin ReBlend: **FREE** recycled paint made from paint that has been dropped off at the center.

Austin Creative Reuse: Collects, distributes, and sells reusable materials and items from organizations, businesses, and individuals.

Zero Waste Block Leader: Become a zero-waste leader and share the word about recycling and composting in your neighborhood.

Christmas Tree Recycling: Recycle your tree for **FREE**, right here in Austin.
